## Church Lench CE First School

## ing the impact of the Primary PE and Sports Premium

Key achievements to date until July 2019:	Areas for further improvement and baseline evidence of need:		
<ul> <li>Bronze School Games Mark awarded in 2018.19 academic year.</li> <li>Inter-school tournaments/fixtures attended:         <ul> <li>Cross country</li> <li>Dance festival</li> <li>Orienteering</li> <li>Football</li> </ul> </li> <li>Intra-school tournaments         <ul> <li>Football</li> </ul> </li> </ul> <li>School games sports day</li>	<ul> <li>Working towards Silver School Games Mark</li> <li>TA to lead more lunchtime sporting activities</li> <li>Use Daily Mile as Personal Best challenge</li> <li>Develop a competitive football league with cluster schools</li> <li>Continuing CPD for PE lead</li> <li>Continue to encourage more children to engage with extra-curricular sporting activities.</li> <li>Develop the use of children as sports leaders.</li> <li>Invest in equipment and resources to enable all children to stay active throughout the school day.</li> </ul>		

Total funding for academic year 2019/20: £22,770

Comprised of £16, 770 + £6,000 carry forward from 2018/19.

Academic Year: 2019/20 Total fund allocated: 22.770 **Date Updated:**06/05/20 Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that Percentage of total allocation: primary school pupils undertake at least 30 minutes of physical activity a day in school 91% Intent **Implementation** Impact Your school focus should be clear. Make sure your actions to achieve Funding Evidence of impact: what do Sustainability and suggested what you want the pupils to know are linked to your intentions: allocated: pupils now know and what next steps: and be able to do and about can they now do? What has what they need to learn and to changed?: consolidate through practice: Lunchtime activities available to all PF coach 1x a week for adult-• f585 Increase in children participating Introduce new sports. children and all children engaging in organised sport at lunchtime. led activities Use TA to deliver sports All children can access extrawith physical activities. on other days. • Children to be confident to play curricular sport. in teams and develop skills in a variety of different outdoor £10.000 All children have engaged with Investment in climbing Equipment to be games. climbing and targeted less active equipment to engage all monitored and Children to try a range of children are becoming much children maintained as different sports. more active as a result. necessary. • All children have access to organised sport outside of PE 75% of children using extra play Extra resources (skipping £570 Equipment to be lessons. resources such as balls, skipping ropes, balance boards, balls, replaced as needed. All children able to develop ropes, bats, etc each lunchtime. bats, etc) available each Use equipment for gross motor, social, creative playtime. TA/lunchtime and coordination skills supervisor-led activities. through independent use of play equipment. No cost Every child participating in Daily run around field. Use alternative exercise each day. provision when field is too wet (in classrooms or on playground). Record as a personal best challenge.

Partially-funded tennis lessons with sports coach at community sports club.  Opportunity for all children to participate. For children to make links with community sports organisations. Remove the barrier of cost from attending extracurricular clubs. Children to develop coordination, team work and social skills.	<ul> <li>£2 per child allocated to partially fund tennis lessons.</li> <li>School staff to walk children down to club to make attendance easier.</li> <li>Equipment to be provided.</li> </ul>	15 children participating at present.  More children engaging with this and different groups of children participate each year.	<ul> <li>Continue to fund this in the future.</li> <li>Encourage different children to participate each term.</li> <li>Use tennis skills for intra-school activities.</li> </ul>
<ul> <li>Anomaly TV screen</li> <li>All children to have access to dance and exercise videos</li> <li>To develop coordination, gross motor, listening skills and confidence.</li> </ul>	<ul> <li>TV screen on playground to be used for Just Dance, Go Noodle and other exercise videos.</li> <li>Children can use playground space and no equipment to participate.</li> <li>Screen put on each day as an extra resource to get children active on the playground.</li> </ul>	Up to 30 children access the TV screen at one time. Children developing their coordination skills by watching and following the movements on screen.	<ul> <li>Regularly update content.</li> <li>Children create more exercise videos to use on the screen.</li> </ul>

<ul> <li>Transport for sports competitions.</li> <li>To enable all children to access sporting opportunities.</li> <li>Enable children to participate in tournaments regularly.</li> <li>To increase children's sense of teamwork and work on their coordination, social skills and resilience.</li> </ul>	competitions.  • Remove the barrier of cost	• £800	Sporting activities attended:  • Football tournament matches between cluster schools • Cross country  Planned events for summer term:(cancelled due to closure)  • Bell-boating • orienteering	<ul> <li>Continue to fund transport in future.</li> <li>Look into possibility of sharing transport to bring costs down if necessary.</li> </ul>
Staff CPD by qualified coach to lead to staff taking sessions.  Increase pupil engagement during lunchtimes  Allow all children to access sport and PE through interventions.  Provide CPD for TAs.	<ul> <li>TA to attend sessions led by PE coach as CPD to lead into their own sessions.</li> <li>Interventions for gross motor, resilience, team work, leadership, coordination to be led by TA.</li> <li>TA to be used (funding dependent) for running sports clubs during lunchtimes in summer term.</li> </ul>	<ul> <li>£4000         (KS2         Staff)</li> <li>£1170         (EYFS/Y1         Staff)</li> </ul>	Regular interventions being held by TAs both inside and outside of lessons for 10-12 children per term.  Lunchtime sports clubs to be set up in summer term 3x per week (funding dependent) to be run by TA.	<ul> <li>TA to continue to lead lunchtime clubs 3x per week to provide extra opportunities for organised games on the playground.</li> <li>CPD to continue to train up all TAs</li> <li>Interventions to continue to target children not at ARE or with SEND/PP.</li> </ul>

<b>Key indicator 2:</b> The profile of PESSPA	A being raised across the school as a t	tool for whole scl	nool improvement	Percentage of total allocation:
				39%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding allocated:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
Staff CPD by qualified coach to lead to staff taking sessions.  Increase pupil engagement during lunchtimes  Allow all children to access sport and PE through interventions.  Provide CPD for TAs.  Narrow the gap for PP and SEND children throughout the school	<ul> <li>TA to attend sessions led by PE coach as CPD to lead into their own sessions.</li> <li>Interventions for gross motor, resilience, team work, leadership, coordination to be led by TA.</li> <li>TA to be used (funding dependent) for running sports clubs during lunchtimes in summer term.</li> </ul>	• £4000 (KS2 Staff) • £1170 (EYFS/Y1 Staff)	Regular interventions being held by TAs both inside and outside of lessons for 10-12 children per term. TAs have reported increase in resilience, leadership skills and team work in at least 80% of children.  Lunchtime sports clubs to be set up in summer term 3x per week (funding dependent) to be run by TA.	<ul> <li>TA to continue to lead lunchtime clubs 3x per week to provide extra opportunities for organised games on the playground.</li> <li>CPD to continue to train up all TAs</li> <li>Interventions to continue to target children not at ARE or with SEND/PP.</li> </ul>
Sports coach employed to lead lunchtime and after school club.  Increase engagement in sports and physical activity throughout the school.  Narrow the gap for PP and SEND children by enabling all children to access clubs.  Provide high quality sport for children.	<ul> <li>Sports coach to lead sessions at lunch time to include all children.</li> <li>After school clubs: multisports, football, Dodge ball, etc. throughout the year.</li> </ul>	• £585	10-12 children per term exposed to wider range of sports than previously in after school club.  Up to 30 children per week accessing lunchtime club.  Children now accessing new inter-school football competitions with cluster schools and lunchtime clubs have enabled them to practise for these.	<ul> <li>Continue to deliver these clubs and build on the range of sports on offer.</li> <li>Continue to use this to build teams for inter/intra-school competitions.</li> </ul>
