

English

Over the next few months, we will be continuing to focus on improving our writing and building on the length of our writing. We will learn writing techniques like time adverbials, chronological order and direct speech, as well as develop our paragraph writing. We will be using these skills, along with other writing techniques to produce different writing styles including a newspaper report and wanted poster which will be inspired by our class reader. We have Guided Reading 3 times a week, as well as regular spelling and handwriting practice.

Maths

In maths, we will be learning about shape, multiplication and division, fractions, time and length, perimeter and height. In lessons, we will deepen our understanding through problem solving. Within Maths, we will also be practising our mental maths skills and times tables.

Art

In Art, we will be learning about clay sculptures and looking at the artwork of Adonna Kahre.

History

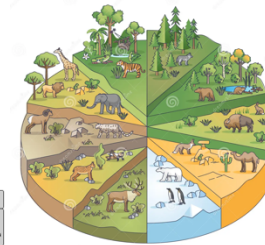

This term's topic in History is 'Romans'. We will look at how the Roman Empire was formed, examine their reasons for invading Britain, discover the life of a Roman soldier and explore how they developed British cities and roads.

Music

We will be focusing on ballads. In this topic we will introduce and explore this style of music and musicians famous for producing it.

Class 2
Mrs Morgan-Lewis,
Mrs Garland, Mrs Lane, Mrs
Beasley, Miss Molloy

PE

We are taught PE by Liam on Wednesday afternoons and will be concentrating on games skills. On a Thursday we will be doing gymnastics with Mrs Morgan-Lewis.

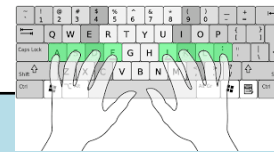

MFL

In French we will be continuing the topic 'Time'. This will include counting, days of the week, months and birthdays.

Computing

We use Purple Mash for our Computing curriculum, and this half term we are learning all about touch typing. We use the iPads in our Computing sessions.

Science

Our new topic in Science is 'Living Things and Habitats'. We will be at the characteristics of living things, the different habitats animals and plants live in and how they help them to survive, as well as revisit how animals and plants get their food. We will also be designing and conducting experiments and investigations, observing over time, and collecting and displaying data.

PE kits need to be worn
to school on
Wednesdays and
Thursdays

PSHE

We will be looking at 'What helps us to stay safe?' in PSHE with Miss Molloy. There will be lots of discussions and thinking about what we can do to keep ourselves safe and away from danger.

RE

The question we will look at in our RE lessons is 'What kind of world did Jesus want?'. We will look at stories from the Bible, such as the healing of the leper, and how Christians today work towards the world Jesus wanted.
