## Early Help Offer Support for Families

### 2025-26

At the heart of the school is our belief that 'with God nothing is impossible.' This allows our children and staff to have high hopes and aspirations and develop resilience and perseverance in all aspects of life in a happy, safe and inclusive environment.

Come and talk to us if you need help with family challenges, children who are young carers, difficulties with school, challenging behaviour, special educational needs, concerns about drugs or anti-social behaviour, children who are being controlled by friends, domestic abuse or any other concerns you have. We will try to help you as best we can and guide you in the right direction for support.

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.

We have experienced staff who are at hand to give advice and support with behaviour, attendance, SEND, mental health and safeguarding.
