Eco Committee Response to Litter

Following on from the whole school litter pick, the eco committee have written to Wychavon council to request two more bins for the village to reduce future waste in the community. We look forward with interest to a response!

Academy Launch!

As from Tuesday 1st April we become part of Bengeworth Academy trust at long last! There will be a new name for the trust in the near future which I believe is being proposed at present. Nothing will change in and around school but there will be a lot more support and collaboration with other leaders and staff which will be hugely beneficial! We will be marking this day with cupcakes and squash for the children during the afternoon and there will be a press release very soon in the local papers.

Friends Of Church Lench CE First School

Our 'Friends of Church Lench School' will be holding an AGM on Wednesday 9th April at 3.30pm in the school hall. It would be great to see a good turn out as I know many of you are keen to support the charity in their fundraising efforts for the children.

You are very welcome to bring your children along and we will supervise outdoor/indoor supervision for them to allow you to attend.

We are very excited to welcome you and hear any ideas about how we can continue to ensure children are given a variety of experiences and resources to enhance their school life.

Cricket Day

Our whole school cricket day was really fun and all the children loved the sessions with Charlie from Worcester Cricket Club. We have included some links for local clubs to join for anyone interested.

Celebration Assembly

Congratulations go to these children this week:

Stars of the Week

Elodie, Arabella and Millie CL

Head teacher Awards

Lucas, Mollie and Ruby

Star Writers

Joel, Henry, Nathan and Alfie M
