Alfie S, Monty and Henry P

Head teacher Awards

Franciszka, Amelie and Harry (YrR)

Star Writers

Livvi and Luke

Star Maths

Henri

Kindness Bear

Harry (YrR)

Oswald Reading Reward

**Congratulations to Class 1 who all read 4 or more times
this week and gained 100% for Oswald Reward**

Pirate Day!

Class 1 had a fabulous day yesterday dressed as pirates! The children had the opportunity to design and make their own pirate boats. They also learnt about floating and sinking and properties of materials. During the afternoon they also learnt to sing some sea shanties!

Dance Festival

On Wednesday our class 3 pupils took part in the South Worcestershire dance festival with seven other local schools. They performed 'Don't Blame it on the Boogie' in front of a large audience, choreographed by Ms Munro. The children were amazing and danced very confidently on stage to the music! Well done Class 3 we are very proud of you all! Thank you to Ms Munro, Mr Enstone and Miss Molloy for accompanying the children.

World Book Day

On Thursday March 6th World Book Day is taking place and we are inviting all children and staff to come dressed up as a book character. We also have an author visiting the school called Jane Taylor. Jane will talk about how she became an author and lead writing workshops for classes 2 and 3.

Air Ambulance

Thank you for all your support. We raised a grand total Of £85 today for this amazing charity!

Tesco Tokens

'Outdoor Learning Breeds Imagination'

We are delighted to inform you that following the Tesco Stronger Starts vote in our local Tesco stores, our project came second and has been chosen by Tesco Customers to receive a grant award of £1,000.00!

This is fantastic news and we will be looking at spending it on an outdoor shelter for the field so that children can read and play games with their friends.

Pottery Workshop

On March 18th we have 'The Flying Potter' from Eastnor visiting the school to carry out pottery workshops with all of the children. At the end of the sessions our clay creations will be transported back to our studio to be fired and returned a few weeks later. The fired outcome serves as a permanent reminder of a brilliant day. We will display our creations around the school.
