We are once again delighted with these responses and this shows what a great team we have here. Homework is always a difficult area to get right for everyone so we do try to have a balanced approach.

With regard to dealing with bullying effectively, 37% of responses came back with 'don't know' and from some of your comments seems to be because you have no experience of bullying in the school, which is certainly what we aim for. I can assure you however that we take any kind of disagreements, arguments or bullying behaviour between children seriously and it is always dealt with immediately. If you would like any more information, you can access our anti bullying policy on our website or arrange an appointment.

We are always available to discuss your child's progress and talk about any concerns you may have. We also have two formal parent consultations a year online and teachers are available to talk to by making an appointment through the office. Please make sure that you do book your appointment with your child's class teacher in the autumn and spring term.

We have spoken to parents who have raised concerns on the questionnaires so that we can improve any areas in the future. We value all of your feedback and thank you for taking the time to fill out the questionnaire.
