Positive Parent/ Carer Feedback

We would really love to include some quotes from parents and carers for our website about the ethos and work of our school. We have received some lovely emails already! We have also sent home a form in book bags today to ask for your positive feedback and suggestions for any improvements in the future.

Any feedback can be uploaded anonymously or with your name but it would really help us to promote our wonderful village school. Thank you in advance

Reverend Canon Richard

Retirement

We sent out a letter last week regarding Reverend Richard's retirement. We hope to have a lovely school community response and wish him well on June 25th. If you would like to donate a contribution for a leaving gift from the school community, we have a donation area set up on Arbor. We will also have a cash donation box at the we will bring out on the gate at the beginning and end of the school day.

Mrs Ellis

We are saddened to share that Mrs. Ellis has left her role at Church Lench after more than 10 years of dedicated service. Mrs. Ellis worked passionately to support children's mental health and special educational needs and disabilities (SEND), always offering her compassion and expertise. She will be greatly missed by staff, students, and parents alike, and we would like to take this opportunity to thank her for her commitment to her role. We wish her all the very best in her next chapter.

Mental Health Week

We have emphasized how important looking after our mental health is this week. We have sent home a mental health bingo sheet to look at over half term and would love any photos or feedback about some of the suggestions.
