Reverend Canon Richard Retirement

We sent out a letter yesterday regarding Reverend Richard's retirement. We hope to have a lovely school community response and wish him well on June 25th.

Village Treasure Hunt

Please see the flyer sent out with the newsletter regarding the village treasure hunt.

Lockdown Drill

This term we will be having a lockdown drill. A letter has been attached with the newsletter for your information.

Safeguarding and Health Mental Health Awareness Week

Next week we will mark mental health awareness by focusing on the importance of community and getting out with others and keeping active.

Our website has recently been updated with many different mental health links of organisations to support families and children. These are well worth the time to explore as there are a variety of different areas of support including anxiety, eating disorders, self-harm and attachment.

Mrs Price is a trained senior mental health lead in school and can always advise on getting the right support if necessary.

Early Help and Safeguarding

We have an 'Early Help Offer' on our website to support children and families in our policy section.

Operation Encompass

Our school is part of Operation Encompass which is a national scheme that operates jointly between early years settings, schools and police forces. Operation Encompass is the reporting to childcare settings, prior to the start of the next day, when a child or young person has that experienced domestic abuse.

Positive Parent/ Carer Feedback

We would like to include some quotes from parents and carers for our website about the ethos and work of our school. If you feel you have time to email the office with any positive quotes it would be hugely appreciated. They can go on anonymously or with your name but it would really help us to promote our wonderful village school.
