

English

During this half term, we will be continuing to focus on improving our writing across different styles and structures, as well as increasing our length of writing. We will look at continuing to improve our effective use of different language techniques to produce a setting description and story dialogue inspired by our class readers for the term. We have Guided Reading 3 times a week, as well as regular spelling and handwriting practice.

Maths

In maths, we will be learning about fractions, mass and capacity, and statistics. In lessons, we will deepen our understanding of problem solving. We will also be practising our mental maths skills and times tables.

Art

In Art, we will be learning looking at the artwork produced by Pablo Picasso and creating our own artwork inspired by his creations.

History

This term's topic in History we will be completing a study of our local area – Evesham. In this topic we will look at what it was like to live in Evesham in the past, who was St Egwin and Simon De Montfort, and what happened to the Evesham Abbey.

Music

We will be learning about contrasting dynamics through the theme of space.

Class 2
Mrs Morgan-Lewis,
Mrs Beasley, Miss Molloy and
Mrs Badger

PE

We will be taught PE by Liam on Wednesday afternoons where the focus is Striking and Fielding. On a Friday we will be doing Swimming with Mrs Morgan-Lewis.

MFL

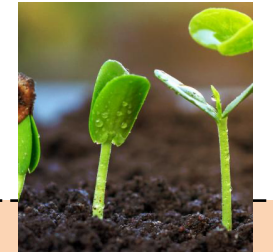

In French we will be continuing to study the topic 'Food'. This includes being able to use manner to ask for the things politely, preferences towards food and what we eat.

purple
mash

Computing

We use Purple Mash for our Computing curriculum. This half term we are learning all about graphing. We use the iPads in our Computing sessions.

Science

Our new topic in Science is 'Plants'. We will be learning about the conditions plants need to grow, how plants germinate, how light affects plant growth and the life cycle of a plant. We will also be designing and conducting experiments and investigations, observing over time, and collecting and displaying data.

PSHE

We will be looking at 'What can help us grow and stay healthy?' in PSHE with Miss Molloy. There will be lots of discussions about what food we eat, how we can change our diet and how it can help us stay healthy.

RE

The question we will look at in our RE lessons is 'Who is Jewish and how do they live?'. We will look at how and why Jewish people celebrate Shabbat, the story of Chanukah and what Jewish people think about the miracles at Chanukah.

PE kits need to be worn
to school on Wednesdays
and Fridays.
